

# IGNATIUS PARK COLLEGE

## Redefining the Education of Young Men

Ignatius Park College, located in Townsville (North Queensland), is a Catholic School in the Edmund Rice tradition catering for just over 900 boys from Years 8-12. Christian values and a holistic development of individuals are operational principles of Ignatius Park College. The College invites applications from suitably qualified people for the following full-time permanent position (38 hours per week).

## INFORMATION TECHNOLOGY MANAGER

The College is seeking an IT Manager to lead a team of professional staff in order to provide the College community with a reliable, safe and secure computer network. The IT Manager will be involved in all facets of management including network infrastructure, servers, computers, audio visual, software programs utilised by the College and other ICT resources, as well as management of IT Departmental staff and budgets.

Interested applicants are invited to submit a full CV, including current referees, to the Principal via [jean.pugh@ipc.qld.edu.au](mailto:jean.pugh@ipc.qld.edu.au). The position description is available via the College website (<http://www.ipc.qld.edu.au>).

***Applications close 4 pm Thursday, 17 April 2014.***

Applications for these positions will be subject to Edmund Rice Education Australia and legislative screening procedures and will be required to authorise such checks and provide identification. These checks are consistent with EREA commitment to child protection policies and procedures.
